I. Check-in - Follow-up From Last Meeting:

- Previous action items were reviewed:
 - Action Plan was sent to co-chairs and completed. Information was shared at the SPC Quarterly Meeting on 1.27.21.

II. Sub-Committee Discussion:

- Sharing Information:
 - We need to be mindful of the information is going to be used/shared and who the information will be shared with.
- SELPA Presentation:
 - They would like to have included data regarding attempts and suicides by age group.
 - How should we break down the age groups?
 - Elementary School
 - Middle School
 - High School
 - Slides
 - Suicide in Riverside County #2, #3 & #4
 - Add chart data of Suicide deaths in Riverside County
 - Rates per age group: 0-17, 18-25, 26-59. 60+
 - Add bullet point/speaking point that mentions the percentage of suicide deaths in the 0-17 age range (e.g., “highest percentage seen in the 14-27 age range”).

- Add slide for suicide attempts data for all ages. (Youth & Known Suicide Attempts in Riverside County)
- Add slide for suicide attempts data focusing on the youth population (0-10, 11-13, 14-17.99). Add bullet/talking point on risk (link elevated risk of future suicide when an attempt is present)
- Getting Involved #8 (Measuring & Sharing Outcomes SC)
 - Add information on how to get involved
 - Importance of SPARE
 - Sharing dating and building partnerships
- Getting Involved #11 (Effective Messaging SC)
 - Add information on how to get involved
 - Highlight TSAP Program
 - Provide tips and guidelines on what to consider when talking about suicide.
- Upstream Focus #12
 - Add – Schools Healthy Kids Data information
- Getting Involved (Upstream Focus)
 - Add information on ideas how to get involved in social emotional learning, PBIS, Anti-Bullying programs and mental health back to school toolkit available on the Up2Riverside page.
- Getting Involved (Prevention Focus) #20
 - Add information for SEL, PBIS, gatekeeper trainings, DC video clip and information about school suicide prevention plans.
- Intervention Focus #21
 - Add information for direct service clinics for youth for fiscal year 19/20.
- Getting Involved (Intervention) #23
 - Add information on SPARE, specific interventions on campus and campaigns to reduce access to means.
- Postvention Focus #24
 - Postvention Committee will submit information to add to this slide.
- Getting Involved (Postvention) #26
 - Add information on postvention plans for schools, trainings on postvention and connecting students impacted by loss to supports available.

III. Action Items:

- Joseline & Amy will:
 - Work on data to share on Slides 2-4
- Suzanna will:
 - Upload slides shared from Jana for the group to review.
- Mindy will:
 - Get information from Each Mind Matters learning collaborative to add regarding elevated risks that attempts bring to future risk of death by suicide.

IV. Next Meeting:

- Thursday, March 18, 2021 9:00am - 10:00am

Notes recorded by:

Miriam Resendiz, Secretary I MHSA PEI
